

TO DIRECTOR OF  
CENTRAL INTELLIGENCE

National Intelligence Council

12 September 1984

Richard N. Perle  
Assistant Secretary  
(International Security Policy)  
Department of Defense

*Richard -*

1. Thanks for such a huge chunk of your time yesterday. Here's a copy [redacted] should you wish to browse through it at your leisure. 25X1

2. [redacted] we received information confirming that two key CW test sites that had been dormant are now being substantially upgraded, apparently to accommodate BW weapons tests. This thing really is getting ominous. 25X1

*HEM*

Herbert E. Meyer  
Vice Chairman

[redacted]
